Our Promise to You

With over 60 years of homebuilding experience in the Washington metro area, Chesapeake Custom Homes has been created by people who see the big picture and realize that success is achieved by hard work and attention to detail. No matter what price home you are looking for, we strive to understand both your dreams and your budget, and help you customize your home from foundation to roof shingles. We select building materials and subcontractors that reflect our commitment to quality and craftsmanship. We perform two service inspections, one prior to settlement and another about thirty days after your move in. We provide a ten year limited structural warranty at no additional cost to you. We recognize that building a home - your home - is the most important financial decision you're likely to make. Let Chesapeake Custom Homes help you make sure it's the right one.
